Dear Friends and Families,

I am delighted to be back from leave. The students greeted me so warmly and asked lovely questions, I enjoyed hearing all their news. I was fortunate enough to spend some quality time with my family in Queensland and then some relaxing time with my friends in Bali. How lovely is this view I had at breakfast each morning…

I am grateful to Adrian Grbin for his leadership. Adrian thoroughly enjoyed the experience and speaks very highly of our beautiful community.

Cross Country - What a wonderful day we had at the SACPSSA Cross Country Carnival. We experienced short bursts of showers but these soon passed. Forty excited runners represented St Therese School with pride. Miss Cooymans and I were extremely impressed with the excellent behaviour, great team spirit and overall good sportsmanship displayed throughout the day. Each race had over 100 and up to 150 competitors. Our students ALL gave their absolute best completing the 2km distance which consisted of small hills, a bridge, water filled creeks, gravel and sand pits underfoot! We congratulate all runners and would like to especially mention, Nadia Kovacevic who finished 8th, Talia Smith who finished 15th, Tahlia Tarca who finished 16th and Ashley St Tucker who finished 18th. These results are fantastic when you consider there is 150 competitors. I would also like to thank Peter Syrus who took on our official duty at the heart of the action and Anne-Marie Gawler, Darren Whelan and Peter Dolinsky who were also willing to act as officials. Your support is just wonderful. Congratulations to you all!

Dance lessons - Our dance program is well and truly under way in its 4th week and going well. Ashley from Footsteps Dance Academy has got the Upper Primary students learning a great variety of dance styles and moves to different forms of music. Our Junior Primary students are also becoming aware of themselves moving in various forms, at different levels and in varying areas by utilising the space they are in. I've been very impressed with the skills students are demonstrating whilst working in groups to create their own dance sequences, not to mention the sequences themselves!!!

Touch Football - Nominations for our next carnival - Touch Football, will go home today for students in Years 4 - 7. This is a fantastic sporting event and I look forward to a wonderful response.

Sports Day 2015 - Our annual Sports Day is coming up in Week 9 on Friday, September 18th. Please put this date in your diaries - we would love to see you there. Information regarding Sports Day will be coming home shortly.

Adelaide Crows 'Growing with Gratitude' - Don't forget the Adelaide Crows visit this Friday 14th. Students please wear your sports uniform.

Yours in sport,
Barbara Mee

Only 3 weeks to go!!!
Don't worry there is still time for last minute reading – deadline is 4th September. Get your forms filled in and bring in to your teacher or to me. See me if you need a new entry form.

Remodel OSHC

We have been quite busy at OSHC, we redefined all of the areas to create a more comfortable environment for the children, parents and staff.

The Vision Board is where we will show the journey of the changes and some of the story points of why and how Jess and I have changed OSHC. This is also a place for you, the parents/caregivers, to be involved in the remodelling of OSHC. Underneath the Vision Board will be sticky note pads where you can write input or ideas for us to follow as this is a place for your children to be comfortable and happy.

Inspiration comes from anything and everything, it is the little strokes and finer details that we do not notice that make a masterpiece, it would be wonderful if you could help in making OSHC a masterpiece by even giving a little input to our Vision Board.

Kindest Regards

Dan and Jess

Open Drum is an ABC Open project that runs in partnership with ABC News The Drum. Every fortnight people are invited to contribute their story on a topic/issue that is in the news. People are asked to share their personal experience on the topic as well as their opinions.

The current call out is:

Public, private, religious, boarding, selective, home school or correspondence - which education system works for you and your kids? Single sex or co-ed? Is selective schooling a good idea? Or should kids of different abilities be in the same classroom?

Can you afford private school fees? Should taxpayers subsidise them? Would you put your own children through the same system you went through?

Share your experience and views in 300 – 700 words here: https://open.abc.net.au/create/new?project_id=108

Call out closes Monday, August 17.
