Dear friends and families,

Welcome back to sunny term 4. I feel energised to be back amongst this beautiful community. The children are so welcoming and interested in what each other has been up to. They are a real credit to you as parents and caregivers.

Have you noticed the promising green lawn area near the playground and the glorious bloom of roses? It looks so beautiful, we know spring is here.

Yesterday the Julian Burns Burn Safe instructors visited and the students learned a lot about keeping themselves safe. The instructors commented positively on the knowledge the students had so that is a credit to you all.

This month is National Bullying Awareness month. There is excellent information on the Bullying No Way! website. [http://bullyingnoway.gov.au/](http://bullyingnoway.gov.au/)

As I mentioned last term, all classes have conducted either a sociogram or a survey about peer relations. We are reviewing these and will ensure you are informed if there are any issues which come to light. Please be aware that there is information available to you in the parent library in the Dominican building, on the school website under the Kids Matters link and of course our school counsellor Katrina is here for support. Remember, if you have any concerns about any matter relating to your child/ren, the class teacher is the first port of call.

Our Year 7 students go on their Canberra Trip next week as part of the cluster and they are very excited. We wish them well for a safe and memorable experience.

Please see the school calendar for term 4 and note all of the upcoming events for the term. Notably the school fete is fast approaching and accompanying this week’s Inter Nos is a Fete newsletter update. We are still seeking volunteer support and donations. If you feel unsure about what you might be able to do to support, please chat with your child’s teacher or come and chat with me.

Wishing you all a blessed week ahead,

Kindest regards

Angela
Welcome to Term Four.

I hope you all managed to have some wonderful family time over the break. Every Term is busy but Term Four always seems to fly by the fastest. This term we focus on our school value of Courage. Monday morning during whole school prayer, we prayed for our Year Seven Students; that they find the courage to make the most of their last term in Primary school and the courage to look to the future with hope and confidence.

There are many events and celebrations planned for this term and we are still in the process of finalising details. Children’s University Graduation, End of Year Mass and Graduation Ceremony and Carols Night are just to name a few. Details of these events will be sent home soon.

I look forward to a happy and productive term.

May you always feel God’s love

Jacky Swanson
Acting APRIM

“Photography – Beyond the Selfie”

Throughout terms 2 and 3 many students were involved in an enrichment program. Year 5, 6 and 7 students from the three parish schools came together to undertake a variety of activities. One such activity was “Photography – Beyond the Selfie”.

The students participated in learning about the composition “rules” of photography. To understand and use photographic equipment to enable the students to explore their creativity.

In groups they were able to discuss, critique and explain what made a good photograph as well as supporting each other to improve their technique.

All students produced a series of photographs that demonstrate their understanding of the “rules” of composition and when to use these rules and when to break them. Here are some examples images produced by the students.
OSHC
Hello Parents and Caregivers
Just a quick reminder that as it is term 4, the children will need to have their hats for OSHC. We cannot collect their hats after school as we do not have a key to enter classrooms, if the children do not have a hat from next week, they will not be able to go outside.
Kindest Regards
Dan and Jess
Fete - Help needed!!!

Can you drive with a trailer?
Are you free on Friday 6 November?
If yes, we need to collect tables and chairs from two other schools.
Please leave your contact details with Joyce or Marie at the Front Office.

Thanks
Fete Committee

St Dominic’s Priory College
139 Molesworth Street
North Adelaide.
