

Strategic Plan 2022-2025

Vision

To develop children spiritually, emotionally, morally, academically, and help them to achieve their full potential.

To develop a love of learning by providing the best possible opportunities and environment to encourage successful learning.

To be a faith community modelled on the example of Jesus.

To be welcoming and inclusive.

Mission

Educate the whole child for life in the Church and the world of today and tomorrow.

Values

Respect
Grace
Courage
Community

Strategic Priorities

Catholic Identity & Formation

We will ensure

- a contemporary, relevant and engaging Religious Education Program
- regular opportunities for prayer, liturgy and celebration
- formative experiences that reflect Catholic social teachings and our school values
- faith formation opportunities in scripture, theology, prayer and Catholic tradition

Quality Teaching, Quality Learning

We will ensure

- high quality, relevant, tailored and holistic learning opportunities for every student
- a positive, engaging and contemporary learning culture based on trust, inclusion and challenge
- high expectations and success for every student
- the promotion of enhanced health and wellbeing for all

Thriving Community

We will ensure

- we are a welcoming, diverse and inclusive school community
- wellbeing of students, staff and families
- positive partnerships with families, parish and the wider community

Stewardship

We will ensure

- good governance
- contemporary infrastructure
- innovative resource development
- accessibility by all families
